United States Courthouse

New York, NY 10007

RE: *United States v. Omar Amanat*, 15 cr. 536 (PGG)

Dear Judge Gardephe:

I am the attorney representing Mr. Amanat in the above-captioned matter, pursuant to the CJA. I am writing to request that the Court appoint Jacob Mitchell as replacement associate counsel in this case at the rate of \$100 per hour. Prior associate counsel, Abraham Hassen, is attending graduate school and is no longer available to assist with this case.

As the Court is aware, this is an extremely complex case and there are still a number of motions that must be litigated, including a final sentencing. Additionally, there is a lot of evidentiary information that must be analyzed and reviewed, including complex digital forensics. Mr. Mitchell is an expert in eDiscovery and has significant experience with digital forensics, which is much needed in this case.

There are several outstanding motions and a pending complex *Fatico* hearing. I will need an associate to assist me with preparing and conducting the hearing. Mr. Mitchell has recently served as associate counsel in several trials and on numerous cases in the southern district, and the colleagues with whom he has worked have raved about his diligence and professionalism. I ask that the Court apportion an additional 250 hours for Mr. Mitchell to work on this case. Mr. Mitchell's resume is attached for the Court's review.

Memo Endorsed:

Jacob Mitchell is approved as a replacement associate. The rate of \$100 per hour is also approved. Finally, this Court will approve 100 additional hours for Mitchell.

SO ORDERED.

Paul G. Gardephe
